

Cuba now La Habana or Havana and Varadero - an Idea from Sirohi

By David Harvey

I. Sirohi's Session

A Plan is to fine art the whole society - into organic forms of Ortega-y-Gasset and Marx as Viejo formalisms which then compares to Cuban Spanish actually as in fact a general guideline.

II. How he Implements it (Absolute, Inspirational Soviet Commentary as always)

I imagine that I am in Hotel Nacional - which I first do it up, I curate the full hotel into a Mediterranean idea. I work on this for one year but in fact it is done in a month, my guess is I am following this in Passport Retamar accuracy. I am accurate then, you know objectivity for me is like consciousness.

Then the rest.
